JOURNALS:

Researchers may use the online full text databases: ProQuest, Academic Search Elite, Master File Premier, ATLA Serials, SocINDEX with Full Text, etc., which are available on the EU Library Web page. They may also use the Google Scholar link located there.

For journals not available full text, they may use the EU Library **journal holdings records**. They may also use the **Other Libraries** link on the EU Library Web page. This provides access to the holdings records of all the other academic and public libraries in this area.

The EU Library staff has also compiled journal locations lists for several major subjects in the 3-ring notebooks in the Reference Room. These also include online full text links when they are available.
